No. 133 *of* 1863.—With reference to the Notification issued by the Government of Bengal, dated 4th instant, the services of Captain C. D. S. Clarke, of the late 73rd Native Infantry, District Superintendent of Police, Behar, are, at his own request, placed at the disposal of His Excellency the Commander-in-Chief.

No. 134 *of* 1863.—Subadar Shaik Assem, of the Madras Gun Lascar Establishment, is admitted to the Second Class of the Order of British India with the title of "Bahadoor." — From the 4th November 1862, in succession to Subadar Mootien "Bahadoor" of the Second Class, deceased.

This cancels Government General Order No. 1101, dated 12th December 1862.

No. 135 *of* 1863.—The usual Annual Examination is to be held, as soon as practicable after the receipt of the Order, in each of the Stations of the Bengal Presidency to which Deputy Inspector-General of Hospitals are attached, for the purpose of filling up vacancies in the Military Class of the Medical College. The College Session commences on the 15th June.

2. All Candidates will be required to possess a knowledge of the Hindoostanee language, sufficient to enable them to read and write common letters and petitions, and Hospital Registers of Sick, in the Devanagri or Persian character, and to converse with a Sepoy in the Hindoostanee language.

3. Although a knowledge of English will not be insisted on in all cases, a preference in selection is to be given to those Candidates who possess a competent knowledge of English, in addition to Hindoostanee.

4. The preference in selection, attainments being equal, will also be given to those who have already been attached to or served in Civil or Regimental Hospitals. Beyond this, preference will not be given to men of any particular class; but respectable young men, especially those educated in the Schools of Behar, the North-Western Provinces, and the Punjaub, are encouraged to offer themselves, bringing Certificates of character and acquirements from the Inspectors or Head Masters of the Schools.

5. Those holding such recommendations from the School Authorities, and Certificates of physical fitness from the nearest Medical Officers, will not be required to appear before the Committees. As, however, the number who can be admitted to the College from each Division is very limited, it is necessary that the School Authorities should send the papers of all Candidates, as soon as possible after the promulgation of this Order, to the Superintending Surgeon of the Division, who, the recommendations being equal, will select, in preference, those whose nominations are earliest received.

6. The Examination is equally open to the sons of Soldiers and of persons engaged in Civil occupations.

7. The Candidates must be between the ages of fifteen and twenty years.

8. No Candidate will be allowed to present himself for examination who is physically unfit for the duties of a Soldier, and who cannot produce a written Testimonial of his conduct and character. The strictest care and attention are to be exercised in examining the Credentials of all Candidates who will in addition, be required to bring regular Descriptive Rolls, in order that they may be identified.

9. The Deputy Inspector General of Hospitals is to prepare a General Roll (in the Form hereafter given) of all Candidates to be laid before the Committee, the Qualification Columns being left blank for the Committee to fill up.

10. Committees for the examination of Candidates will be convened by the Officer Commanding the Station, upon the requisition of the Deputy Inspector General of Hospitals, and will consist of two Medical Officers and an Interpreter.

11. These examinations will in future be final as regards the admission of the Candidates into the Medical College, no subsequent examination in the College of Fort William being required.

12. Each passed Candidate is to be furnished by the Deputy Inspector General of Hospitals with a Descriptive Roll in the subjoined Form, which he is to present to the Principal of the College, and which will be his warrant for admission as a Student :—

14. All Students of the Military Class, who, on leaving College, after having passed through their studies with credit, shall be certified to possess a competent knowledge of the English language, including Orthography, the meaning of words, writing from Dictation, and Simple Arithmetic as far as the Rule of Three, shall, until further notice, be allowed a bonus of Company's Rupees (250) two hundred and fifty.

15. All Students of the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

16. Successful Candidates will be allowed free passage down on Government Steamers.

17. Military Class Students, while at the College, will receive a stipend or allowance of Rupees (6) six per mensem.

18. No deduction will be made for Uniform.

19. The pay of Military Class Native Doctors, on appointment to the Service, is fixed at 20 Rupees a month in Garrison or at a Civil Station, and 25 Rupees a month in the Field, of which sums 5 Rupees are to be considered as Batta, and deducted when on leave of absence from Corps and Civil Stations.

20. Upon their admission they are to enter into an engagement to serve the Government as Native Doctors, as vacancies may occur, for a period of not less than seven years from the time of their leaving the Medical College in that capacity, unless prevented serving that period by physical inability proved before a Medical Committee and certified accordingly. After a service of seven years they may demand their discharge *in time of peace.*

21. In the event of their continuing to serve, their allowances will, after seven years, and upon undergoing a successful examination, be advanced to Rupees 25 in Garrison or at a Civil Station, and Rupees 30 in the Field.

22. A Native Doctor who, from wounds or injuries received on service, shall become no longer fit to serve, will be entitled, at any period less than fifteen years, to an Invalid Pension of Rupees 12 per mensem, after fifteen years to one-half of his Field Pay, if in the Military, and of his Garrison Pay if in the Civil Branch of the Service; after twenty-two years to the whole of his pay.

23. If invalided under ordinary circumstances of inability to perform his duties, a Native Doctor will be entitled, at the expiration of fifteen years, to a Pension of Rupees 10 per mensem, and after twenty-two years, to one-half of his Field or Garrison Pay, agreeably to the Branch of the Service in which he is employed.
